

Porsche 928 Microsite

Pages

1. Home Page: features basic description, manufacturing years. Image driven.
2. Design + Specifications: discuss general features of the car, do not dive into too much details about each version/variant yet. Discuss reasons that influenced its design, such as 1970s oil crisis and importance of appealing to the USA market.
3. Models + Variants: Show direct comparisons between each variant
 1. 1980 928 S and its different features
 2. 1985 928 "S3": 5.0L DOHC with 4 valves per cylinder
 3. 1987 S4: focus on styling updates. Rounded front end, rear spoiler. Little differences in this model across different regions of the world.
 4. 1989 928 GT: only manual transmission
 5. 1992 928 GTS: 5.4L, new "cup" style wing mirrors. Larger front brakes.
4. Historical significance:
 1. Awards,
 2. First Porsche production car with V8
 3. Blending of sports car with comfort sedan
 4. First Porsche clean-sheet design without Volkswagen influences
